 WHAT WE DO  

Since 1994 NDI New Mexico has served over 140,500 children throughout the state!

NDI New Mexico delivers In-School Outreach Programs that uplift and support the children of New Mexico. Our life-changing programs focus on youth development. By advertising in our Program Book, you make it possible for our dancers to learn perseverance, confidence and excellence - the skills of New Mexico’s future workforce!

We engage students across the state with expert NDI New Mexico instructors and pianists!

The Hiland Theater and The Dance Barns provide affordable, traditional dance instruction on a sliding scale. These programs incorporate NDI New Mexico’s approach, and offer pre-professional dance training.

As a natural extension of our In-School Outreach program, NDI New Mexico offers additional opportunities throughout the summer and after school to students with a strong affinity for our programs!

“I have been involved with NDI as a parent and a teacher. Each year, I see something new that NDI instills in students. This year the two qualities I witnessed were perseverance and focus.” - Lisa, Fifth-Grade Teacher
