UPDATED 7-8-22

NDI New Mexico is founded with the knowledge that the arts have a unique power to engage and motivate children. The purpose of our distinctive programs is to help children develop discipline, a standard of excellence, and a belief in themselves that will carry over into all aspects of their lives.

For over 25 successful years, our programs have made a measurable difference in the lives of New Mexico children.

OUR PHILOSOPHY & VALUES

NDI New Mexico provides rigorous performing arts programming that builds technical skills and personal character and is **accessible to all children**. We provide a well-rounded experience in the Performing Arts.

NDI New Mexico provides programming that contributes to children's success in life through healthy attitudes, rigor, discipline and creativity. Students' experience is consistent with NDI New Mexico's methodology of joyous learning while the teaching re-enforces the **NDI New Mexico Core Four: work hard, do your best, never give up and be healthy.**

At NDI New Mexico, we believe in excellence, respect, community, and safety. We are committed to creating a supportive learning environment so that all children can strive for their own personal health and excellence while feeling valued and safe. We promote open communication between staff, students, families and the community at large, and believe that a student's success depends on a strong two-way relationship between The NDI New Mexico staff and the family. We believe that every child has the capacity to learn, experience success, and ultimately develop confidence and pride through participation in our programs.

TO STUDENTS

We are happy that you are a student at NDI New Mexico and want you to experience success in your classes. In order to focus on your work, we would like you to commit to embodying the **values of our school – excellence, respect, community, and safety**. TO PARENTS/GUARDIANS AND FAMILIES

We are happy that your child is taking part in NDI New Mexico programs. You play an important role in their success! We will communicate openly and directly with you about your student's experience, progress, and behavior. We encourage two-way communication and hope that an open dialogue will create a safe, respectful, and excellent environment where your child will thrive.

As parents or guardians, you can also join in the process! You can be a volunteer, participate in a class, and cheer your students on from home!. We hope you will take advantage of the many opportunities offered in our organization.

Each of us – students, teachers, and parents – is responsible for helping to create an environment, which is safe, respectful, and excellent. We take our responsibility seriously and ask that you do too. Thank you for your commitment and for being a part of NDI New Mexico.

CLASS ATTENDANCE

Consistent and timely attendance is necessary for your student's success and eligibility to perform.

Any student who shows a pattern of regular or repeated absence or tardiness may be removed from the program.

Make up classes may be taken at the same level or lower if available and at the discretion of the Director.

ILLNESS, INJURY AND MEDICAL CONDITIONS

Students who are injured, are encouraged to watch their class. Much can be learned from watching others and hearing corrections. However, students who are ill are asked to stay home.

It is our intention to guide students to dance safely and in a healthy and careful manner. Still, the nature of dance as a strenuous physical activity can result in frequent discomfort or even a more serious injury. Students who show a pattern of chronic injury (repeated sprains, or regular/constant pain) may be required to show a doctor's note. Any student that has been under a doctor's care for an injury must show a doctor's note to return to class. While we want students to fully participate in classes, we also want to be certain that it is in their best interest physically to do so.

Please note, NDI New Mexico does not administer any medications to students, whether they are over-the-counter or prescription medications. Please notify the front office if your child carries prescription medication with them or if your child has any medical or behavioral challenges.

CLASS CANCELLATION POLICY

Cancellation Policy for Adult classes

Adult classes with less than 3 students will be cancelled.

Cancellation Policy for Children's classes

Class will be cancelled if there are less than 3 students in attendance. If class is cancelled we will call the parents and hopefully find a make-up option. To avoid this occurrence, we ask families to inform us if they will not be attending.

STUDENT ASSESSMENT AND PLACEMENT POLICY

We are committed to continuously evaluating our students throughout the year and we will suggest a change in classes whenever appropriate.

A MESSAGE FOR DANCERS INTERESTED IN POINTE

To be considered for pointe class a student must be in a minimum of three technique classes (not counting the pointe class) per week. ONE of these classes can be a modern or jazz class. The minimum age for consideration is eleven years old. Eight through twelve year-olds are encouraged to take a minimum of two ballet classes per week to prepare for pointe. Flexibility and strength in the feet and ankles are necessary as is an intermediate level of ballet technique. The Director, with consultation from the ballet faculty, will invite dancers Pointe class when appropriate.

VOLUNTEER OPPORTUNITIES

Volunteering is a wonderful way to be a part of your child's programs. It's also a great way to get to know other families and staff members at NDI New Mexico. We primarily invite volunteers during performance times. We seek volunteers in the areas of ushering, box office, merchandise sales, parking and backstage assistance. Throughout the year we may need extra hands for costume sewing or data entry. If you are interested in volunteering, please see the front office. We hope you'll join us!
